WELCOME TO THE ShareMyCoach RV Rental Club

The ShareMyCoach RV Rental Club is designed for people who want planned access to RV travel without taking on the full burden of RV ownership. Members receive access to eligible RVs within their selected access level, subject to availability, vehicle readiness, scheduling, driver approval, insurance requirements, payment status, and ShareMyCoach approval.

The goal is simple: make RV travel easier, more predictable, and more enjoyable by giving Club Members a structured way to plan trips, access vehicles, and use ShareMyCoach's professionally managed RV system.

WHY MEMBERS JOIN

- Access RV travel without owning, storing, maintaining, or managing an RV.
- Plan multiple trips across the year with one annual membership structure.
- Use membership value toward eligible RV rentals, approved upgrades, and approved event or special-trip opportunities.
- Receive member-last-minute priority booking access when short-window availability exists.
- Access current vehicle availability information through the ShareMyCoach portal or current availability page when available.
- Keep the freedom of RV travel while relying on ShareMyCoach's operating team for vehicle readiness, checkout, and trip documentation.

ANNUAL MEMBERSHIP BENEFITS

Subject to the terms of this Agreement, Club Member's selected access level, availability, vehicle readiness, and ShareMyCoach approval, the annual membership includes:

- Up to twenty-six travel days per membership year.
- Up to eight trips per membership year.
- Up to 2,600 included miles.
- Up to 104 generator hours for RVs equipped with generators.
- Easy pickup and drop-off, subject to location, staff availability, and trip details.
- Member-last-minute priority booking access, subject to availability and approval.
- Access to the ShareMyCoach Club Member portal or current vehicle availability information when available.
- Free parking for one personal vehicle during an active Club Member trip, subject to available space and posted parking instructions.

Membership benefits must be used during the active twelve-month membership term. Unused travel days, miles, generator runtime, or other membership benefits do not roll over after the term, are not refundable, and have no cash value payable to Club Member unless ShareMyCoach states otherwise in writing.

ACCESS LEVELS

Club Member's selected access level determines the category of RVs Club Member may reserve. Access levels are generally structured as category-and-below access unless ShareMyCoach states otherwise in writing.

Current access levels may include:

- Travel Trailer **BASECAMP**
- Class C **EXPLORER**
- Class A Gas **PREMIER**
- Class A Diesel **RESIDENCY**
- Premium Diesel **SIGNATURE**

Current vehicle availability is dynamic. RVs may enter or leave the ShareMyCoach system, be reserved, serviced, sold, restricted, unavailable, or removed from availability. ShareMyCoach will make reasonable efforts to provide an RV within Club Member's selected access level. Specific RV models, specific dates, and specific vehicles are not guaranteed unless confirmed in writing by ShareMyCoach.

MEMBERSHIP TERM AND PAYMENT

The membership term is twelve months beginning on the Effective Date above. Club Member agrees to pay the selected membership fee for the full twelve-month membership term.

Payment option:

☐ One-time payment: \$ _____

☐ Monthly auto-payment: _____ per month

Billing start date: _____

Payment method: ☐ Credit Card ☐ ACH ☐ Other: _____

Monthly payments, if offered or selected, are a payment convenience and do not create a month-to-month membership unless ShareMyCoach expressly states otherwise in a signed writing. One-time payment is calculated as twelve times the monthly membership amount unless ShareMyCoach states otherwise in writing. No discount is provided for one-time payment unless specifically stated in writing by ShareMyCoach.

Introductory payment terms may be limited to the first fifty Club Members or another stated promotional group. First 50 Members may be offered no finance charge on monthly payments if approved by ShareMyCoach in writing.

If Club Member selects monthly payments, Club Member authorizes ShareMyCoach to charge the approved payment method according to the membership payment schedule. Additional charges, if any, may be disclosed or itemized when practical before charging and may also be governed by the applicable ShareMyCoach RV Rental Agreement or trip-specific documents.

HOW MEMBERSHIP VALUE WORKS

Club Member may use membership value toward approved RV rentals, trips, events, access-level upgrades, rental-related charges, or other approved ShareMyCoach charges at ShareMyCoach's discretion.

Membership value is not cash payable to Club Member. It is a credit value that may be applied only within the ShareMyCoach system.

Unless otherwise stated by ShareMyCoach in writing, available membership credit value is calculated as ninety percent of Club Member's actual annual membership amount paid, divided by twenty-six travel days. ShareMyCoach may use this daily membership credit value to calculate approved upgrades, event trips, higher-priced dates, seasonal rates, rental-related balances, or other approved uses.

This calculation does not create a cash refund, cash account, ownership interest, stored value card, bank account, or cash-equivalent obligation payable to Club Member.

TRIPS, SHORT-WINDOW BOOKINGS, AND TWO-DAY RENTALS

Club Membership allows up to eight trips during the twelve-month membership term, subject to availability, scheduling, vehicle readiness, driver approval, insurance approval, payment status, completion of required trip documents, and ShareMyCoach approval.

Two-day rentals may be available to Club Members and may not be subject to the same minimum rental-day requirements as standard public rentals. Unless otherwise approved by ShareMyCoach, two-day rentals may be booked only within the short-window booking period, currently up to four days before the requested pickup date.

Member-last-minute priority booking access means Club Members may receive priority consideration for certain short-window availability, but it does not guarantee availability, a specific RV, a specific date, or a specific rate.

EVENTS, HIGH-DEMAND DATES, AND SPECIAL TRIPS

Club Membership travel days or credit value may be requested for events, festivals, races, productions, corporate activations, or other higher-demand dates. The value required for those dates is based on the applicable pricing for that trip, event, date, RV, or service.

Protected, restricted, or event-priced periods may include, without limitation, Burning Man, EDC Las Vegas, King of the Hammers, races, festivals, holiday periods, special events, productions, corporate activations, or other ShareMyCoach-designated high-demand periods.

ShareMyCoach may designate Special Event Periods, Restricted-Date Periods, Event-Priced Periods, or Member Last-Minute Priority Access periods at its discretion. Availability during such periods is not guaranteed and may require additional charges, approvals, deposits, special handling, delivery coordination, event preparation, or other trip-specific terms.

RV SUBSTITUTION AND UPGRADES

A specific RV may not be available for a requested trip. If an RV becomes unavailable due to service, safety, readiness, registration, damage, owner restriction, prior booking, sale, removal from inventory, or other operational condition, ShareMyCoach may substitute another available RV, offer an upgrade option, offer a reschedule option, or decline the requested trip depending on the circumstances.

Club Member may request access to a higher membership access level. When approved, Club Member's available membership credit value may be applied toward the higher-level RV using the membership credit value calculation published by ShareMyCoach or displayed in the Club Member portal.

Upgrades are subject to availability, approval, additional charges, insurance requirements, security deposit requirements, and completion of the ShareMyCoach RV Rental Agreement or applicable trip documents.

DRIVER APPROVAL AND INSURANCE

All drivers must be approved by ShareMyCoach before operating any RV. All drivers must be at least twenty-five years old as of the pickup date, hold a valid driver's license, and meet ShareMyCoach's driver approval requirements.

Club Member must provide proof of insurance, an insurance binder, certificate, additional insured documentation, proof of purchased policy, or other insurance documentation acceptable to ShareMyCoach before any RV is released.

Insurance is first provided by Club Member's personal auto policy where acceptable to ShareMyCoach. Current insurance companies that may provide acceptable binders or certificates from a personal policy may include AAA, State Farm, Farmers, Allstate, USAA, and certain commercial or high-net-worth insurance providers such as Chubb. This is a current example list only and is not a guarantee that any carrier will provide acceptable coverage. Club Member should confirm coverage with Club Member's own insurance broker, agent, or insurance company. If Club Member's insurance does not provide acceptable coverage, additional coverage options may be required or the trip may be declined. No person may operate the RV unless listed and approved as an authorized driver.

VEHICLE RELEASE AND TRIP DOCUMENTS

Before any RV is released, Club Member and any approved driver must complete all ShareMyCoach-required orientation, operational walkthrough, safety review, checklist acknowledgment, QR or video training, and vehicle-specific release procedures.

Vehicle release is subject to both customer/admin readiness and vehicle readiness. Customer/admin readiness may include completion of payment, rental documents, insurance requirements, signatures, driver approval, and trip-specific records. Vehicle readiness may include service status, cleaning, fuel, propane, dump, generator, water systems, tire status, registration, and other operational release requirements.

Each individual RV use requires separate trip-specific documentation, which may include the ShareMyCoach RV Rental Agreement, applicable trip documents, safety briefing, checkout verification, insurance record, credit card authorization, security deposit authorization, and any other trip documents required by ShareMyCoach. If there is a conflict between this Agreement and the applicable ShareMyCoach RV Rental Agreement or trip-specific documents for a specific RV use, the ShareMyCoach RV Rental Agreement and applicable trip documents control for that specific RV use unless ShareMyCoach states otherwise in writing.

ADDITIONAL CHARGES AND SECURITY DEPOSIT

Membership does not include all possible charges. Club Member may be charged separately for excess mileage, generator runtime, fuel, propane, cleaning, dumping, tolls, citations, late returns, delivery, pickup, parking, event fees, special handling, damages, missing items, linens, housewares, or other trip-specific charges according to the applicable ShareMyCoach RV Rental Agreement, trip documents, and current ShareMyCoach policy.

Club Member must maintain a valid payment method on file. ShareMyCoach may require a security deposit or credit card authorization for each RV use. Security deposit amounts may vary by RV type, trip length, destination, insurance status, Club Member history, event type, seasonal demand, and other risk factors. Security deposits generally range from approximately \$1,500 to \$5,000 depending on coach category and trip type, but actual requirements may vary. Club Member authorizes ShareMyCoach to charge the payment method on file for amounts owed under this Agreement or any trip-specific RV use, subject to the applicable documents and policies.

CANCELLATION, RESCHEDULING, AND NO-SHOW

Cancellation and rescheduling rules for membership trips are governed by the ShareMyCoach RV Rental Agreement, ShareMyCoach rental policies, and applicable trip documents.

Because membership travel days are reserved from a limited pool of availability, last-minute cancellations by Club Member may result in loss of up to fifty percent of the reserved trip value, subject to ShareMyCoach's policies and discretion. No-shows, late returns, or failure to complete required documents may result in fees, loss of travel-day value, loss of credit value, or restrictions on future bookings.

DEFAULT, SUSPENSION, TAXES, AND RULES OF USE

If Club Member fails to make required payments, ShareMyCoach may suspend membership benefits, restrict future reservations, require payment before additional RV use, request a backup payment method, and/or charge unpaid balances at fifteen percent per annum or the maximum amount permitted by law, whichever is less. Suspension of membership benefits does not automatically cancel Club Member's payment obligation for the full twelve-month term unless ShareMyCoach states otherwise in writing. Club Member is responsible for any applicable taxes, fees, assessments, surcharges, or governmental charges related to membership, RV use, delivery, pickup, parking, event fees, special handling, or other services.

Club Member agrees to use all RVs in accordance with the ShareMyCoach RV Rental Agreement, applicable trip documents, applicable laws, campground rules, event rules, and ShareMyCoach instructions. Prohibited uses include, but are not limited to: unauthorized drivers, illegal activity, unsafe operation, towing without approval, smoking where prohibited, unauthorized pets, unauthorized festivals or events, off-road use unless approved, subleasing, commercial use without approval, or any use prohibited by the applicable ShareMyCoach RV Rental Agreement or trip documents.

NO OWNERSHIP, LEASE, TIMESHARE, OR EQUITY INTEREST

This Agreement is a membership and access agreement only. Club Member does not receive ownership, title, equity, leasehold interest, timeshare interest, security interest, or exclusive right to any specific RV. Membership provides access to available RV rentals under the rules of this Agreement, the ShareMyCoach RV Rental Agreement, and applicable trip documents.

MEMBER ACKNOWLEDGMENT

By signing below, Club Member acknowledges that Club Member has read this Agreement, understands that membership access is subject to availability, selected access level, vehicle readiness, driver approval, insurance requirements, payment status, ShareMyCoach approval, and separate trip-specific rental documents, and agrees to be bound by the terms of this Agreement. Club Member also acknowledges that no specific RV, date, event, trip, access-level inventory, or upgrade is guaranteed unless confirmed in writing by ShareMyCoach.
